

## Art and Design Over view

We are all part of God's family. Through trying our best in all we do, we find a sense of belonging.  
*1 Corinthians 12:27 'All of you together are Christ's body and each of you is a part of it'*

*Art and Design* at Horndon on the Hill Church of England Primary offers a high-quality art education that builds pupils' ability to 'appreciate and interpret what they observe, communicate what they think and feel, or make what they imagine and invent'.

Through our art and design curriculum, pupils develop practical knowledge of how to create art, craft and design, for example by learning the methods and techniques that artists, craft-makers and designers use. They can also build theoretical knowledge of the tools, materials and history of art, craft and design. Finally, pupils acquire disciplinary knowledge of the concept of art itself, such as the ways it is judged, valued and evaluated. Our intent is that art and design in our school is both intellectually challenging and creatively demanding. The systematic approach we take enables pupils to see, to know and to experience art, pupils learn how to view, discuss and make art.

### Intent:

- Fulfil the requirements of the National Curriculum for art and design,
- Ensure the progressive development of knowledge and skills,
- Know that art can support their development in other subjects.

### Implement:

- Art and design is taught as part of each topic,
- There is a focus on knowledge and skills stated in the National Curriculum,
- A variety of teaching approaches are used based on the teacher's judgement.

### Impact:

- Moderation of pupil's books are scrutinised inline with the school's assessment policy.
- Pupil voice is collected, analysed and used to support future development in the subject.
- Art used in other areas of the curriculum and marked in books.
