30th June 2023

Dear Parents/Carers

The weather has finally cooled a little – not that we do not like the sunshine, but the heat in the classrooms was, at times, unbearable. Thank you to the parents who donated fans for the classes as this helped considerably.

### Borough Olympics

On Friday 9<sup>th</sup> we went to Blackshots to compete in the Borough Olympics. It was a fun experience, and everyone was very friendly. We took part in track events, relay race, 80-meter sprint, 600-meter sprint, javelin, shot put, high jump and vortex. Children from KS2 took part in each event, and we had our own Photographer for the morning to capture the event. Every, one got a medal the school came 3<sup>rd</sup>.

By House Captains Scarlett and JD

### Sports Day

Thank you to all who attended our sports day. The children were a credit to themselves and the school and showed real team spirit as they competed in their house colours. We hope that you were able to enjoy the event as much as the children!

See our Horndon Herald for a news report of the day.

### **WOW Collective Worship**

Members of the school WOW (Worship our Way) group held a Collective Worship Day across the whole school. The activities that were all designed by the children celebrated the ways in which we can worship. This included drama, dance, collage, colouring, model making, sculpting, song writing, painting and mask making. At the end of the day, the WOW group shared the activities across the school through a school wide TEAMS meeting. children then held a WOW assembly.

Our Diocese Adviser, Heather Tetchner, came into school the following day and the children held a WOW assembly in her honour. She was so impressed with the work that had been completed and loved the hymn that the whole school sang at the end of the assembly. Well done WOW!

### **Maths 555**

Today 5 children from year 5 took part in 5 maths challenges at Bonnygate Primary School. The children competed against a large number of primary schools from across the borough and rose to the challenge with real enthusiasm. As always, the children were excellent ambassadors for our school and made us very proud.

# FRIENDS OF HORNDON SCHOOL

## WHAT DO WE DO?

Friends of Horndon School are a group of parents/grandparents who arrange fund raising events throughout the year. We are all volunteers. The funds raised go into the school and are much needed to help towards the children's education or for fun activities.

## WITHOUT HELP WE CAN'T FUNCTION

School discos are run entirely by FOHS, without volunteers they can't run the events as we need the correct amount of people to maintain a safe environment for your children to have lots of fun!

## CHRISTMAS MARKET & MAY FAYRE

Again, these events are put on by FOHS, there are about 10 regulars that help to arrange the event, set up and clear away. But we need more help during the event, 1 hour of your time makes a big difference!

## FILM NIGHTS

These are run by FOHS, please look out for future dates.

## PAMPER NIGHTS

These are arranged by FOHS, we hope to start these up again very soon as the children have loved these in the past.

## WISH LISTS....

The school have a wish list of items they need help to purchase.

These can vary from electronic equipment.

(If anyone has any old iPads in working order that they no longer use, please consider donating these to the school)

Redecoration work, memberships, school books and help towards school trips... etc

## WE NEED MORE HELP!

More helpers make a task much easier, as we know many hands make light work!

## COMMUNITY

FOHS raise thousands each year.

But we cannot do it without your help.

Please e-mail

F.O.H.S@outlook.com to register yourself as a volunteer

Please email [F.O.H.S@outlook.com](mailto:F.O.H.S@outlook.com) if you can help

# ...RESPECT THE WATERS

If you got into trouble in the water, would you know what to do?

What about if it was someone you care about in danger?

Find out how to keep you and your loved ones safe with advice from the RNLI and Everyone Active.

## STAYING SAFE AT THE BEACH

-  **RED AND YELLOW FLAGS** will show the safe places to swim, body board and use inflatables on the beach. You will often see a lifeguard positioned between the red and yellow flags
-  **RED FLAG** is the sign for danger and means **NO SWIMMING**. Never go in the water when the red flag is flying, under any circumstances. Possible reasons may be fog, large waves or pollution
-  **BLACK/WHITE FLAG** for hard surf craft including surfboards, kayaks, canoes and other craft without engines. Never swim or body board in this area
-  **ORANGE WINDSOCKS** indicate offshore winds blowing out to sea or strong wind conditions – never use an inflatable when the sock is flying

## LISTEN TO YOUR HELPFUL LIFEGUARD

Lifeguards are there to help you to stay safe by seeing the dangers, preventing accidents before they happen and responding instantly. They wear a red and yellow uniform, sometimes in black wetsuits, with Lifeguard clearly marked on the back.

### Where to find your helpful lifeguard

- At the Beach Lifeguard Unit – a white hut at the beach with an RNLI flag
- They patrol along the shoreline and between the red and yellow flags
- On larger beaches they may be on the sand in a white or red truck
- Wardens operate, patrol and rescue services at large inland lakes

## COLD WATER AND HAZARDS

- Be aware that there are hazards that you may not be able to see
- Sea and inland water is cold and will make swimming more tiring and difficult
- Most inland and coastal water is less than 15°C
- Rocks and other objects could be hidden under the water
- Tides and water currents can be very strong and change without warning
- If you plunge into cold water breathing is difficult – remain calm
- Enter water gradually and keep your head out of the water until breathing has settled

## WHAT TO DO IF YOU GET IN TROUBLE

- Put your hand in the air and signal for help
- Tread water, kick your legs and try to keep your head above water
- If you have a body board or surf board hang onto it – it will help keep you afloat and make you easier to find
- Wear a leash/wrist strap connected to your body board and keep it attached

### If someone else is in trouble:

- Alert a lifeguard as quickly as you can. Look for them near the red and yellow flags, their truck or at the Beach Lifeguard Unit
- If there are no lifeguards call 999 or 112 and ask for the coastguard on the coast, the fire service inland. Tell them where you are, what the problem is and how many people are involved
- Stay in the area in case they need to speak to you again
- DO NOT try to rescue the person yourself

## KEY SKILLS THAT COULD JUST SAVE YOUR LIFE!

- F** Fight your instinct to panic and swim hard
- L** Lean back in to the water to keep your air way clear
- O** Open your body up and extend your arms and legs, pushing your stomach up
- A** Actions gently move your hands and feet will help you float
- T** **TIME** In 60 to 90 seconds you will be able to control your breathing
