Dear Parents/Carers

This has been an amazing time at Horndon school, with so much to celebrate. One of our first school trips of this academic year took place last week and the children were eager to share their experience with you. We are looking forward to trips planned for all the year groups in the coming weeks.

Layer Marney Tower

Last week, Class Two went on a school trip to Layer Marney Tower and here are 4 recounts, selected at random, written by the children.

I went to a castle with my class and the best part was seeing knights. We ate our lunch and I played with my friends.

By Bobby B

Last week, we went by coach to Layer Marney Tower and we were told about it. We went in and climbed to the top. We saw fields of sheep. We had lunch and then we had another talk. We then went home.

By Micah T-P

First, we went up to the top of the tower. Then, we went back down so we could do archery.

Thirdly, we went into the church and saw some pretty angels. We sat by the gardens and had a picnic. On the coach back home, I saw some lambs and horses.

By Isla

B

We went to Layer Marney Tower and we went up the staircase and stopped at the middle to learn about Henry VIII. We tried archery and we were shooting at knights, but I missed and hit the plants. I was excited to eat lunch outside. The best part of the trip was playing eye spy on the way home. I can't wait for the next trip.

Diversity Award and Congratulations

Having been nominated by the school, we are pleased to announce that Mr & Mrs Macdonald were presented with a Diversity award at a huge ceremony held at Harris Academy on Friday 30th September for the support they have given to a Ukranian Family. There were times when they went above and beyond in their efforts to ensure that for this family, the experience of moving to an unfamiliar country, was less daunting.

Well done too to Maddison and Susanna on attaining Yellow Belts in Karate.

Queen's Jubilee Certificate

Stephen Metcalfe MP pledged to deliver a large copy of the Quen's Jubilee Certificate to all schools and this week we received ours.

Fantastic Feedback

Thank you for your positive comments which are uplifting for all members of staff.

Just wanted to say a massive thank you to the wonderful wrap-around staff who have helped with Lottie settling. It has been extremely difficult for both of us and the staff have been understanding and so supportive. They even called me to let me know Lottie was fine and settled. This is going above and beyond and I was so grateful for the call. Thank you

Your aspirations, our priority

The internet is being used increasingly across all areas of life. We know that for some children, young people, parents and carers in Thurrock, they don't use the internet and feel that their voices aren't being heard. We acknowledge, these families are at risk of being left behind.

Our aim is to provide advice, guidance and support and to provide a fully inclusive service to everyone.....

SEND Mind the Gap is an opportunity for children and young people with SEND, and their parents carers to visit our hubs and speak with a member of the Thurrock SEND Team about matters affecting them.
