Carry forward from 19/20 funds (Covid)		£13921.71	
£17700 =		+ 20/21	£31621.71
Outline of Primary Sport Premium spending 2020/2021			
Item/project	Cost	Objectives	Impact
Equipment Boccia £574.95 Stopwatches £111.96	£686.91	To increase participation in competitive sport. Broader experience of a range of sports and activities offered to all pupils	Teaching new sports to enable participation in competition when up and running after covid restrictions. Less active pupils have enjoyed participating in new sports which are more accessible for SEND and those less able pupils. <i>‘Enjoyed it very much because it a good challenge to get close to the jack and you can compete too.’</i> <i>‘I love the equipment and I am enjoying trying a new sport’</i> <i>‘I want to keep practising so I can compete for the school next year’</i> <i>‘I was good at it and I do not usually do very well with games in PE’.</i>
Active play equipment	£11400	Broaden the sporting opportunities and experiences available to pupils. Develop a love for physical activity and develop healthy lifestyles.	Pupils have kept active during all outside time. Pupils have reported that the equipment is fun to use and keeps them happy. <i>‘It is so fun to be playing with our friends again. I really like the balance activities and the skipping ropes too.’</i> <i>The equipment has greatly contributed to the positive mental health and wellbeing</i>

			<i>of all pupils. Pupils have kept motivated and participate in activities during 'free-time'. They have been able to build on skills that have been learnt and developed during PE lessons.</i>
Staff training for use of online resources and remote learning sessions.	£800	Increased confidence, knowledge and skills of all staff in teaching PE and sport The engagement of all pupils in regular physical activity	Pupils were able to participate in physical activity and sports challenges and opportunities throughout remote learning. Feedback was very positive and pupils thrived on the inclusion of active lesson provision during lockdown. 'I enjoyed the Take Ten type activities because it got me away from the screen during online lessons and learning.' 'It was good for my head and my little sister joined in every day too and she doesn't go to school yet. I love doing it with her.'
Staff training- Delivery of PE and Sports with changes due to covid	£800	Develop a love of physical activity and active healthy lifestyles.	Staff have developed skills to adapt lessons and support pupils, with restrictions to physical education in place during Covid. Changes to PE lessons have helped to ensure the profile of PE remains high. Staff are now more confident to teach the subject with a range of teaching ideas and effective strategies for adapting lessons.
Delivery of extra PE sessions for SEND and to promote mental health and well-being.	£5000	Increased confidence, knowledge and skills of all staff in teaching PE and sport The engagement of all pupils in regular physical activity	Children will be confident and competitive participants. Broader experiences for pupils to achieve more from extra-curricular activities.
Yoga sessions	£6600	Develop a love of physical activity and active healthy lifestyles.	These sessions have had an increasingly positive affect on the pupil's health and wellbeing. 'Helps me to relax'

			<p>'I am far more flexible and it stretched my muscles.'</p> <p>'It is very calming'</p> <p>'It makes me very peaceful.'</p>
Outdoor and adventurous education	£1530	Broaden sporting opportunities and experiences.	<p>Opportunity to participate in outdoor and adventurous activities provided to key pupils.</p> <p>This has improved and strengthened listening skills and team building strategies, which pupils can utilise and apply to P.E lessons in the future.</p> <p>Pupils were able to overcome fears and challenges.</p> <p>Pupil's report there has been a positive impact on their health and wellbeing.</p> <p>Children said 'we had a brilliant time. We tried new activities and were very brave. I feel like all of my worries disappeared'.</p>
Competitive opportunities	£300	Broaden the sporting opportunities and experiences available to pupils.	<p>Opportunities were provided for KS1 to be introduced to competitive sports/activities.</p> <p>Pupils were able to compete in different areas of sport in Inter- competition. This encouraged those often less engaged in sport and physical activities. As events were virtual, all pupils were able to compete giving them the opportunity to experience the competitive nature of sport against other schools. Many pupils that do not usually qualify during Intra-competitive events were able to still engage in these competitions.</p>

SWIMMING

Swimming is an important skill and can encourage a healthy and active lifestyle. The programme of study for PE sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Meeting national curriculum requirements for swimming and water safety. (Cohort of 29 pupils)	
% of cohort that swim competently, confidently and proficiently over a distance of at least 25 metres	11/27 = 41%

<p>% of cohort that use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]</p>	<p>11/27= 41%</p>
<p>% that can perform safe self-rescue in different water based situations</p>	<p>26/27= 96%</p>
<p>Additional provision- top up swimming sessions funded by Sport Premium</p> <p>Provide additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety - after the delivery of core swimming and water safety lessons.</p>	<p>Pupils unable to attend their swimming course for this year due to COVID.</p> <p>No additional swimming sessions could be provided for pupils due to COVID.</p> <p>One pupil was unable to reach the self- rescue standard due to SEND reasons</p>
