We are all part of God's family. Through trying our best in all that we do, we find a sense of belonging.

Dear Parents/Carers,

At Horndon, we believe that wearing the correct school uniform is an important part of ensuring a sense of pride, belonging, and equality among our pupils. It helps create a positive learning environment where every child feels part of our community.

We kindly ask for your continued support in ensuring that your child adheres to our uniform expectations. These standards are not just about appearance—they teach valuable lessons about responsibility and respect for rules. As your children grow, they will encounter rules and expectations in many areas of life, whether in further education, the workplace, or society. Learning to follow these guidelines now helps prepare them for those future responsibilities.

Our staff are working closely with pupils to reinforce these expectations in a positive and supportive way. With your support, we can ensure consistency and help every child understand the importance of meeting these standards.

Thank you for your cooperation and commitment to maintaining the high standards of our school. If you have any questions or need clarification, please do not hesitate to contact us.

## School Uniform

We expect all children, including those within the Nursery, to wear uniform in the school colours: red, black, grey, and white. We believe wearing school uniform echoes our school vision by helping the children to feel part of the school community. It also looks smart, is economical and wears well. Although uniform with the school logo is available, this is not compulsory.

**Please ensure all uniform is clearly labelled;** it may be necessary to check that the name has not faded after washing.
